Wedding Packages

All packages include complete coverage of your wedding ceremony as well as the main events at the reception. There are NO hourly charges. Paul will photograph your wedding in his unique editorial style, capturing all the emotion of your day including modern portraits with flair. A selection of wedding photos will be available to view and or purchase online, within two weeks from the day of your wedding. Paul will personally customize each album layout including the selection of images for a one-of-a-kind work of art. The Wedding Album along with the High Resolution Photo Disc will be delivered together within three to four months from the day of your wedding.

SILVER Package

\$2450

- 30-Page 10x10 or Digital Story Book Album
- High-Resolution Photo Disc

Your album will contain photo montages that strikingly unfold the story of your wedding day. Paul will use his years of design experience to bring out the emotion he personally witnessed on your special day. A blend of color, black & white, and digital effects will be used for a dramatic flair. This is not your mother's wedding album!

GOLD Package

\$2950

- 30-Page 10x10 Digital Story Book Album
- Two Softcover 8x8 Digital Story Book Parent's Albums
- High-Resolution Photo Disc

The couple will own all of the original images from their wedding day.

Each Parent Album is a smaller version of the Bride's album which fits conveniently into most purses making them ideal for on-location bragging rights!
